This Week

TAI CHI MONDAYS & WEDNESDAYS SEE YOU IN THE JMC GYM AT 1PM

TCAFP utilizes Tai Chi's Sun style for its ability to improve relaxation, balance, mobility, and flexibility, and in addition, it reduces the risk of falls and targets adults 60 and older. Each workshop series is offered for two hours per week (one hour twice a week) for 8 weeks.

The North Central Texas Area Agency on Aging will be offering this program at Joshua Methodist Church (Gym) on Mondays and Wednesdays starting July 8th thru September 4th (skipping 8/28 and 9/2) from 1:00 pm-2:00 pm.

Health Tips in the Wesleyan Tradition

Stress

What can stress do to yourbody?

Stress can effect all parts of your body and cause mental and physical changes.

This week it's the Lungs

When discussing stress we need to remember cortisol, it rises as our stress rises trying to control inflammation.

Chronic stress causes inflammation and causes our immune system to lose its power to fight off germs.

So, coughing, wheezing, and lung infections can happen because of stress.
