## WHEN FLOOD WATERS RISE, WE RISE UP AS A COMMUNITY. DISASTER RECOVERY

Recent weather disasters in the Houston area are proving to be an opportunity for us to serve. We are currently planning on joining Georgetown UMC on a couple of mission trips to Conroe, north of Houston. One is June 23 - 26, and the other is July 18 - 21. These 4-day trips include travel time.

The work includes mucking out houses, removing drywall and insulation, removing furniture, and mold mitigation due to flooding in the recent storms. Accommodation is provided for us, and we'll provide and cook our meals. **If you're interested in going on the June trip, please let me know after the service.**

If you are interested in the July trip, let me know in the next few weeks. Since there are several hundred flooded homes, it is likely that this need will continue for the foreseeable future.

Ministry Safe and a Background Check are required.

People in Conroe are desperate. Please help. May God bless you and bless the people affected by these storms.

**For more information, contact Melia Mehlhorn.**

### Come Grow with Us Ministry

If you would like to help with this ministry we need people to take clippings from their house plants, root them in water then plant in a 4 inch square or round pot. We also need help delivering them to new homeowners or apartments in the Joshua area.

If you have any questions please see Barbara Crew or Becky O'Loughlin.

### Health Tips in the Wesleyan Tradition

#### Stress

What can stress do to your .....head, jaw, and shoulders?

Stress can effect all parts of your body and cause mental and physical changes.

In the next few weeks the areas of the concern will be highlighted. This week it's the
