## Sunday School Classes - Spotlight

Sunday School meets each Sunday from 9:00–10:00 AM.

We invite you to visit a class and find a place to connect, grow, and belong.

**Find the class that's right for you — all are welcome!**

- **Journey with Jesus (Room 201)**  
Designed for adults approximately ages 23–55, this class offers a welcoming, engaging, and fun environment for spiritual growth and community building. Through biblical teaching and meaningful discussion, participants are encouraged to grow in faith, connect with others, and make a positive impact in the community. No matter where you are on your spiritual journey, you are welcome here.
- **The Inquirer's (Room 206)**  
A discussion-based Bible study class focused on both the Old and New Testaments. Members share personal experiences, explore biblical principles for everyday Christian living, and enjoy thoughtful conversation each week. New ideas and open discussion are always encouraged.
- **Maranatha (Room 207)**  
A small-group class using studies from RightNow Media featuring speakers such as Max Lucado, Francis Chan, and Lisa Harper. Lessons focus on understanding Scripture and applying biblical truths to everyday life.
- **Unbroken Circle (Room 203)**  
Geared toward older adults, though all ages are warmly welcomed. This Bible-based class takes a deeper look at Scripture and explores how God's Word speaks into daily living and faithful discipleship.

## Exploring Bible Study Methods

There is no “one-size-fits-all” approach to Bible study. Different methods – such as GPA, SOAP, verse mapping, journaling, and more – can help deepen our understanding of God’s Word. One study method often referenced by Payton is the GPA Method: God, People, and Application. This simple three-step framework helps readers discover who God is, learn from the people in the passage, and apply Scripture to daily life. Below is a simple example of this study method for you to try.

### SOAP Method

#### Scripture

Write out a verse or passage that stands out to you.

#### Observation

What do you notice about the passage? What is happening? What stands out?

#### Application

How does this Scripture apply to your life today?

#### Prayer

Write a short prayer asking God to help you live out what you learned.

### GPA Method

#### **G – God (What does this reveal about God?)**

- **Ask:** What attributes of God are displayed?  
What is He doing in this passage?
- **Action:** Write down His names, titles, or any commands, promises, and truths revealed about Him.

#### **P – People (What does this reveal about people?)**

- **Ask:** Who are the main individuals or groups?  
What are their reactions, emotions, and decisions?
- **Action:** Identify human nature at work, including any sins to avoid, examples to follow, or relational dynamics to note.

#### **A – Application (How do I respond?)**

- **Ask:** How does this truth impact my life today?  
What specific change do I need to make?
- **Action:** Keep your application personal, practical, measurable, and provable. Write a short “I will...” statement.
