Mission Statement / Benediction

We are committed Christian disciples,
loving God, growing in grace and serving others

Today's Scripture

Rom 12:3-8 NLT

For by the grace given me I say to every one of you: Do not think of yourself more highly than you ought, but rather think of yourself with sober judgment, in accordance with the faith God has distributed to each of you. For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others. We have different gifts, according to the grace given to each of us. If your gift is prophesying, then prophesy in accordance with your faith; if it is serving, then serve; if it is teaching, then teach; if it is to encourage, then give encouragement; if it is giving, then give generously; if it is to lead, do it diligently; if it is to show mercy, do it cheerfully.

Exploring Bible Study Methods

There is no “one-size-fits-all” approach to Bible study. Different methods – such as GPA, SOAP, verse mapping, journaling, and more – can help deepen our understanding of God’s Word. One study method often referenced by Payton is the GPA Method: God, People, and Application. This simple three-step framework helps readers discover who God is, learn from the people in the passage, and apply Scripture to daily life. Below is a simple example of this study method for you to try.

GPA Method

G – God (What does this reveal about God?)

- **Ask:** What attributes of God are displayed?
What is He doing in this passage?
- **Action:** Write down His names, titles, or any commands, promises, and truths revealed about Him.

P – People (What does this reveal about people?)

- **Ask:** Who are the main individuals or groups?
What are their reactions, emotions, and decisions?
- **Action:** Identify human nature at work, including any sins to avoid, examples to follow, or relational dynamics to note.

A – Application (How do I respond?)

- **Ask:** How does this truth impact my life today?
What specific change do I need to make?
- **Action:** Keep your application personal, practical, measurable, and provable. Write a short "I will..." statement.
