Today

Backpack Team!

Deserves a big round of applause

Throughout the school year, these women initially assisted 81 children at the start of the school year. After 32 weeks of packing, the number grew to 136 children on the final week. In total, they filled over 4000 backpacks!

We also would like to acknowledge the couriers taking the backpacks to the schools, we appreciate your invaluable contribution!

Church Ownership

Class will be today after service in Chedester Hall.

To become a thriving and influential church, it is essential to comprehend the link between ownership, responsibility, and accountability. When individuals take full ownership of their actions and responsibilities, they become accountable for bringing about positive change. This can result in a potent and successful church community.
