

This letter is to assure you of our concern for the safety and welfare of children attending JUMPS. Our Emergency Plan provides for response to all types of emergencies. Depending on the circumstance of the emergency, we will use one of the following protective actions.

Immediate evacuation - Students are evacuated to a safe area on the grounds of JUMPS in the event of a fire, etc.

In-place sheltering - Sudden occurrences, weather or hazardous material related, may dictate that taking cover inside the building is the best immediate response.

Evacuation - Total evacuation of the facility may become necessary if there is a danger in the area. In this case, children will be taken to Joshua Baptist Church, 3231 S. W. Wilshire, Burleson, Texas, 817-295-9070

Modified operation - May include cancellation/postponement or rescheduling of normal activities. These actions are normally taken in case of a winter storm or building problems (such as utility disruptions) that make it unsafe for children but may be necessary in a variety of situations.

Please listen to Channel 4, Channel 5, Channel 8, and Channel 11 for announcements relating to any of the emergency actions listed above.

In order to assure the safety of your children and our staff, I ask your understanding and cooperation. Should you have additional questions regarding our emergency operating procedures, contact Jennifer Higgins at 817-487-2400.

Sincerely,
Jennifer Higgins
Director
